UNITED STATES NAVY

U.S.S. Osamakin-476-191
January 28, 1945

Dear Mr. Kabrit,
I recently got hold of last June's issue of our bulletin and it certainly made me homesick for good old Howard U. I saw all the names of my pals and schoolmates in the service. There was a little sadness in it for me though, because it listed two of my best pals James "Mickey" Van Buren and Charles "Boston" Baiton as killed in action. I was a little disappointed not to find my name listed among those in the service. I have been in every since I left school in February of 1942 and most of that time has been spent out of the U.S.A. Expected to return in about eight months. At which time I will make it my business to visit Howard.

When I also must clear up a long standing debt.
That will not be my only reason, for there is
something in me that will draw me there.
There is still a great deal of love in my
heart for Howard. I would like to know
how I can obtain the next issue of the
bulletin? Also I would like the address if
possible of William Pryor.

Sincerely

John W. Weaver Class of '44"
